Information to all Customers of Schedule Coordination Austria GmbH

Schedule Coordination Austria GmbH (SCA) is the slot coordinator and schedule facilitator for all airports in Austria.

With approval of the Federal Ministry of Transport, Innovation and Technology (BMVIT) SCA is authorized to charge a "Schedule Coordination Fee" (SCF), which is collected by the airport operators on behalf of SCA from the aircraft operators.

As informed during the last meeting of the Coordination Committee for Vienna Airport and with the approval of the BMVIT SCA will increase the SCF as of

January 1st, 2015 to 3,90 € per roundtrip (landing and take-off)

from the previous 3,20 € valid since 2009.

This increase becomes necessary because of the development of costs in Austria during the last 5 years and the expected traffic development for 2015.
