

Information about SAL / SCC for S25

SALs for VIE, GRZ, INN, KLU, LNZ and SZG were sent out on Wednesday, November 06th, 2024.

Following, some information regarding the feedback to the SALs:

All O and H data lines shown on the SAL will be automatically put on the waitlist for possible later improvement. Therefore SCR-reply with code P is NOT necessary!

If you do not want to be placed on the waitlist / if you can accept the offered timings, please send us an SCR-reply with code A.

ATTENTION – Specific arrangements for S25

Capacity parameters:

The SALs are based on the existing and publicly available capacity parameters at the given airports for S25.

Possible changes of the legal situation or developments of guidelines (ie EUACA or IATA) will be published on our homepage.

Please check it regularly.

IATA 155 Slot Conference (SC155)

Kai Westermann, Andreas Sager and Barbara Hörmadinger will participate at the Slot Conference in Singapore (room Orchid, 4301A).

Please contact us via e-mail if you need more information.

Best regards and stay safe!
